

# ***Help Shape the Future of Perry County!***

*Through February you may receive a call from community health research specialists calling for the Perry County Health Department asking you to participate in a telephone survey*

## **Please Participate If You Receive A Call!**

### **Why Participate in the Survey?**

Helps the collaborative team to:

- assess and prioritize the needs of the community
- develop an action plan to meet those needs
- provides data for grant writing to secure funding to address community needs

### **Questions?**

**Visit [www.perryhealth.com](http://www.perryhealth.com) or call 740-342-5179**
